

Borough of Lansdale
Electric Committee Minutes
Meeting of April 3, 2019

Members Present

Rich DiGregorio, Chairman
BJ Breish, Councilman
Bill Henning, Councilman
Andy Krauss, Electric Superintendent

Members Absent

- o Minutes of the March 6, 2019 Electric Committee Meeting were approved by a vote of 3-0.
- o PMEA Director – The search for an executive director has begun. Mr. Krauss was nominated and elected Vice President of PMEA effective April 2019.
- o Honeywell Seminar – Lansdale will be hosting a meter seminar on April 24th and 25th. Lansdale is honored to welcome electric professionals from all over the country to showcase our smart meter system.
- o Pole Attachment Audit – Mr. Krauss has been working with Adtell to put together pole audit specifications to collect pole rental revenue.
- o Fleet Update – The Electric Department took delivery of both a new high reach Altec bucket truck and new Dodge 3500 dump truck.
- o Legislative Report for 2019 – Mr. Krauss showed the committee a new development from AMP and PMEA. This document will allow us to keep an eye on all legislation at the State House that may affect the public power industry.
- o Department Operations - The EV chargers have been received and will be installed shortly. The guys have been working on pole installations and the various development projects.
- o Old Business – Montgomery Township has officially stated that they have no interest in installing street lights on Knapp Road.

Meeting adjourned at 8:00 pm.
