✂-----

### SEED STARTING/PROPAGATION

**Monday, March 4, 2019 @ 7:00 pm**  
**Wissahickon Park Building, 765 E. Main Steet**  
**FEE: \$5.00**

*Learn how to successfully start seeds. All topics of seed starting including soil, containers, heat sources, plus many more will be included. From the novice seed starter to the more advanced seed propagator, everyone will learn something from this PowerPoint presentation.*

### COMPANION PLANTING YOUR VEGETABLE GARDEN

**Thursday, April 4, 2019 @ 7:00 pm**  
**Wissahickon Park Building, 765 E. Main Steet**  
**FEE: \$5.00**

*Companion planting is the ability of plants to work well with each other to discourage pesticide use, encourage pollinators, maximize garden space, and providing habitat for beneficial insects. Learn what all this means and see how easy it is to companion plant your vegetable garden without the use of pesticides.*

*Sponsored by Lansdale Department of Parks and Recreation in cooperation with the Montgomery County Master Gardener Program.*
