Borough Grant Funding

The process of seeking and obtaining grants can be challenging as the demand is high and competition fierce. Lansdale Borough staff works continuously to find, apply for and administer grant funding for the growth of our Borough. Historically, Lansdale has been successful at garnering grant funding due to commitment, hard work and, above all, the positive reputation built on delivering results. In order to receive funding, municipalities typically offer matching funding. The local contribution is typically thirty percent with the grant organization covering the remaining seventy percent. Grant funding is given not only on the merit of proposed projects, but also on how credible the organization applying has been. Over the past four years, the Borough has applied for \$11,801,278 in grant funding and received \$10,922,090. This success is evidence of good management and efficient procedures for handling finances.

 The Hunger Games
 (rain date August 24)

Working together, the Borough and the community can help clean up our town. With recent and upcoming improvements, the Borough encourages citizens to join us in spring cleaning efforts by cleaning up debris, weeds, curb lines in neighborhoods as well as by our businesses.

The following “dos and don’ts” will support the Department of Community Development in enforcement of regulations as well as assist citizens in maintenance of their properties all while making Lansdale a safe and beautiful place to live, work and play!

DO

- *Place trash in approved, covered containers and check that it is picked up and disposed of properly
- *Ensure all motor vehicles on your property have current registration; if they do not have proper stickers they should be parked in a garage
- *Make sure that grass and weeds grow no higher than six (6) inches

DON'T

- *Allow old furniture, lawn clippings, tree branches, trash and other belongings to accumulate on or around your property

neighbors helping neighbors

VACATION SAFETY TIPS

While you're on vacation, thieves could be targeting what you leave behind. Here's what they're taking...

- Outdoors**
Lawn and garden equipment and patio accessories; tools and sporting equipment
- Electronics**
Televisions, computers, cameras and equipment

- Cash**
Money and securities
- Jewelry**
Rings, watches and necklaces
- Clothing**
Clothes, luggage, bags and accessories

While You're Gone...

- ✓ Stop mail and newspapers or ask a trusted neighbor to pick them up each day.
- ✓ Put household and outside lights on timers so they turn on and off at appropriate times.
- ✓ Arrange to have your grass mowed while you're away.
- ✓ Ask a neighbor to park in your driveway overnight—anything that might suggest someone is home.
- ✓ Feel free to contact the Lansdale Police Department and advise them of your vacation plans as well as provide an emergency contact person if there is a problem.
