Some Observations

Respondents were asked to write on a sticky-note what they like most about "living, working or playing" in Lansdale.

- Many of the notes celebrated Lansdale's **walkability**, including the sidewalks and walking trails.
- Many commenters praised the Borough's numerous and varied **community events**, specifically citing music and car shows, the farmers' market and First Friday, among others.
- Respondents praised Lansdale's "sense of place" and **small-town feel, sense of community, and public safety**.
- "Restaurants" is a topic that was raised many times. Many said they appreciate the restaurants the Borough has to offer ("Backyard Beans, Stove and Tap, Round Guys," etc.). *Although not asked to do so, we noted that numerous respondents used the sticky-notes to express their desire for more restaurants.*

Some Observations

(Priority Voting, from International Spring Fest + Founder's Day)

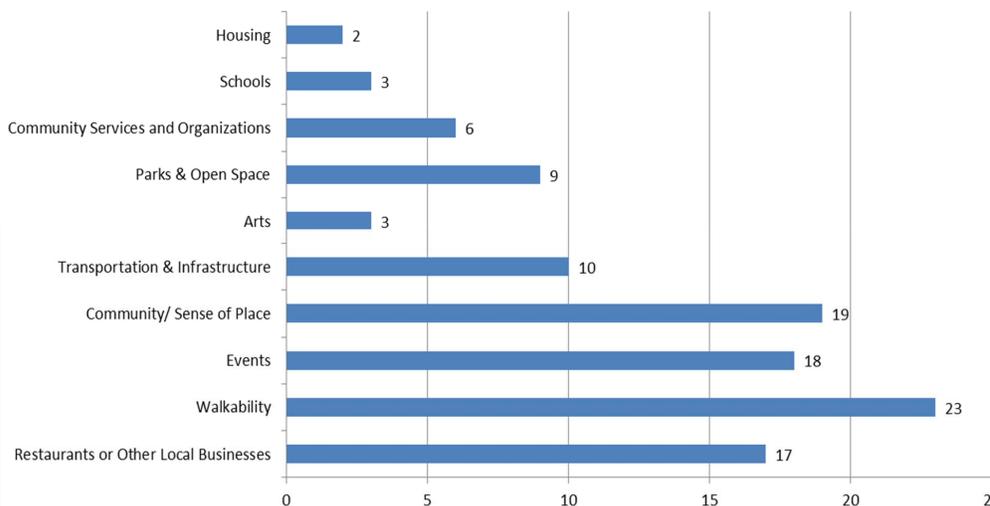

At International Spring Fest on Earth Day and at the most recent Founder's Day Celebration, we asked the public to tell us what they felt should be the top priorities **Lansdale 2040, the Borough's Comprehensive Plan** (in-progress). When we added up the results from both events, we found:

- **Dining, Arts and Entertainment** got more votes than any other choices.
- Borough-wide top priorities also included "**Parks, Open Space, Trails & Recreation**," "**Historic Preservation**," and "**Economic Development**". For Downtown Lansdale, the other top priority was "**Façade Improvements**".

WHAT'S YOUR VISION FOR LANSDALE?

As part of Montgomery County Planning Commission's "Lansdale 2040: the Borough's Comprehensive Plan" citizens who live, work and visit Lansdale were asked to share what they feel are the most important issues in the Borough.
