**In the Borough of Lansdale, Montg. Co., PA** The undersigned agrees to pay for all Electricity consumed on said premises in accordance with the rates, rules, and regulation of the Borough Ordinance and to pay all monthly bills. The undersigned agrees to use the current only for purposes specified in this application and to secure the written consent of the Borough before making any increase in the installation, as such amendments thereto relative to the service and use of Electricity and to be responsible for damages to the lines and equipment belonging to the Borough Electric Dept. on the property of the undersigned.

**MUNICIPAL CLAIMS AND LIENS ACT**

Pennsylvania State legislation known as the Municipal Claims and Liens Act allows municipal utilities to hold property owners responsible for tenant debt. This could include action against the landlord for the amount due for service provided at the owner's property which could be in the form of a municipal claim lien. (Which can include any and all legal fees associated therewith.)
